

Duggan Community Garden: Come Grow with Us!

You are cordially invited to get involved with an exciting new opportunity this spring: the Duggan Community Garden! Community gardens consist of groups of people who work together to develop a shared growing space in their communities. Community gardens promote food security, provide healthy local food, and help to build a sense of community.

The Duggan Community Garden will be located near the Duggan Community Hall, between 106 Street and the basketball courts/skating rink. If you are interested in obtaining a garden plot or helping us with gardening, we would love to hear from you!

We are interested in your opinion about the Duggan Community Garden and we invite you to complete our short online survey at <https://www.surveymonkey.com/s/GB2F5P2>. You can share your comments with us by joining the “Duggan Community Garden” Facebook group, emailing us at aprylbergstrom@hotmail.com and/or phoning us at 780-433-8113 and requesting Apryl Bergstrom.

We welcome you to join our monthly planning meetings, which take place on the first Thursday of every month at 7:00 p.m. in the back room at the Duggan Community Hall (access is through the southwest door of the building).

We hope that you will take advantage of the opportunity to grow with the Duggan Community Garden!

Sincerely,

The Duggan Community Garden Planning Committee

“Growing your own food is like printing your own money”
